TRAFFIC HAZARD AT WARM SPRINGS TO BE CORRECTED

Efforts of the Warm Springs Chamber of Commerce to have California State Highway authorities take action to correct the hazards at the junction of Highways 17 and 21, is meeting with results, Bruce E. Michael, president of the Chamber, has announced.

The intersection, the scene of many serious automobile accidents, will be made the object of a study by highway authorities. According to J. C. Campbell, superintendent of the California Division of Highways office at Hayward, present plans call for channelization of traffic at the intersection with a speed limit of 35 miles per hour being imposed. Traffic bars will shortly be set up. The decision as to whether to install a traffic signal, electrically operated, has not yet been made.

Present corrective action will be only temporary, however, since construction of the proposed freeway will considerably alter traffic in the area.

The Warm Springs Chamber received word from 13th District Assemblyman Francis Dunn that money had been appropriated for the necessary improvements. Work on improving the intersection should start within a week.

Officers of the Chamber, in addition to Mr. Michael, are Charles Venturi, vice-president, and Mrs. Evelyn Rose, secretary-treasurer. Directors are Joe Bettencourt, Joe Saramento, Antone Braga, John Souza and Oscar Pohl. The officers were recently re-elected to serve another term.

WARM SPRINGS INSTALLS FIRST P.T.A. PRESIDENT

Mrs. Bruce Michael of Warm Springs was installed as the first president of the newly organized Warm Springs P.T.A. unit Monday evening before a large crowd of charter members, and representatives from the Phoebe Hearst Council and from other township P.T.A. units.

Others installed were: vice-president, Mrs. Joseph Costa; secretary, Mrs. Yasuto Kato; treasurer, Mrs. Orville Gibson; auditor, Mr. Elmo Jernigan; historian, Mrs. Joseph Saramento.

Mrs. Harry Hook of the Phoebe Hearst Council was the installing officer.

After the ceremony, refreshments were served from tables colorfully decorated in the spring motif. Mrs. Saramento was refreshment chairman, assisted by Mrs. John Souza, Mrs. John Bettencourt and Mrs. Kato.

The unit will hold regular meetings on the first Tuesday of every month, the next meeting to be held on March 4.

DID YOU HEAR ATTACK WARNING?

Fire district warning signals sounded the red alert Wednesday morning at 10:17 a.m. in the first attack warning test scheduled in this area by the civil defense authorities. Though some were taken by surprise, the people of Washington Township generally responded well to the test alert. The all clear came 15 minutes later at 10:32 a.m.

Civil defense officials desire information from local residents in the township as to whether or not they heard the sirens and how loud they were. Efforts will be made to install or improve existing fire warnings in areas where it is difficult to hear them.

Civil defense activities are under the supervision of the county sheriff's office. Lt. Stanley Peterson is handling civil defense matters in Washington Township under direction of Capt. R. E. Condon.

NEW SCHOOL IN DECOTO DISTRICT SEEN AS NEEDED

The need for a fourth elementry school in the Decoto District is clearly indicated. L. W. Musick, district superintendent, stated this week. A census completed last week by 22 of the 38 teachers of the district revealed 1,376 children in the area.

"This number," said Mr. Musick, "is 110 in excess of the number of children set as a qualifying number for 21 additional classrooms. Of the 28 classrooms which now make up the Decoto and Barnard schools, 16 rooms are inadequate and five are being used for double sessions."

The new fourth school would be located in the prospective Treeview housing project area located on the north side of the Niles Road opposite Hillview Crest. The proposed Hillview Crest school is now planned to consist of nine rooms, three more rooms are expected to to be added to the plans before advertisement for bids is made.

Plans also include alterations to the Decoto Elementary School, ten new rooms will be built to replace 14 of the present rooms. The auditorium is presently divided into three classrooms. Multi-purpose rooms will be provided at all the schools, these rooms to have kitchen and auditorium facilities.

The census which pointed to further expansion in the Decoto schools was conducted February 14 under the supervision of John Perry, acting principal of the Decoto Elementary School, and Boyd Morningstar, acting principal of the Barnard School. The 22 teachers who conducted the survey called at 608 out of 658 new homes in the area. Twenty-one homes were found not occupied and no one at home at 132.

Five hundred and forty-five children of pre-school age were found in the 445 families visited. These children are expected to be enrolled between now and 1955. Present enrollment at the Decoto and Barnard Schools is 1011.

Harold L. Rowe, field representative of the State School Planning Board, was in Decoto last week to confer with District Superintendent Musick and to check on the census survey.

LOCAL YOUTH IS INJURED IN KOREA

Corporal Leon Vieux, son of Mrs. Leon Vieux of Niles, is in the hospital behind the lines in Korea, suffering from a gun-wound in the foot.

Word of his injury was received by his mother last week. He had gone to the front lines only five days before his injury occurred.

Writing to his mother from the hospital, he stated that the cold weather on the front lines was their biggest enemy.

The corporal will be hospitalized at least a month.

FARM BUREAU TO MEET

The Washington-Eden Center of the Farm Bureau will hold a dinner meeting Tuesday, February 26, at 7 p.m. The meeting will be held in the cafeteria of the Washington Union High School.

BUS SCHEDULE THROUGH HILLVIEW TO BE TESTED

Regularly scheduled shoppers' buses through the Hillview Crest subdivision at Decoto to Niles appears a strong possibility as the result of a breakfast meeting Tuesday of the newly formed Niles Merchants Association.

Traffic Manager A. J. Gaeta of Peerless Stages, who attended the meeting at Nello's, stated that the company is willing to run test schedules through Hillview to determine if such service is warranted.

Thursday, February 28, has been set for the test. Buses will drive through Hillview by way of Lafayette and Revere Streets on the following schedule:

Leave Hillview for Niles: 9:55 a.m., 10:55 a.m., and 11:55 a.m.

Leave Niles for Hillview: 11 a.m., 12:10 p.m., and 2:10 p.m.

Gaeta explained that half-hourly service is now available between Hayward and Niles. Service into Hillview to save passengers the long walk to the highway may be established on some schedules, he said, if patronage warrants.

E. C. Parks, who served as chairman of the committee which last Saturday staged "Hillview Day" in Niles, reported that merchants agreed that the event was a success despite heavy rainfall throughout the afternoon.

Niles merchants had arranged for free transportation in cooperation with Peerless Stages, a free kiddie matinee for Hillview children, and offered many special bargains to Hillview shoppers. Support of the event by Niles merchants was unanimous.

Officers for the new association were elected Tuesday, as follows: E. C. Parks, chairman; L. S. Whitaker, vice-chairman; F. A. Patchett, secretary; Robert A. Blacow, treasurer.

The transportation committee of the association, which has worked with Mr. Gaeta on the test schedule of Peerless Stages consists of Caesar DiGiulio and James Landrum.

ROBERTSON WARNS SCHOOLS MAY BE WITHOUT NURSES

"If we somehow don't acquire more funds from the county, the public school system will be without school nurses in this area," Gus Robertson, Irvington school superintendent, warned the public this week, in reporting the efforts of the Alameda County Association of School Administrators to secure more funds.

The Administrators, at a recent meeting, had their chairman, Bill Dresbach, appoint a health committee, which is headed by Robertson. The purpose of the committee will be to investigate sources of more income for school health problems.

Others on the committee are: Tom Maloney, Centerville; Wilda Mette, Russell City; Joe Mitchell, Livermore; A. B. Morse, Castro Valley; Paul Ehret, San Lorenzo, and Jack Rees, Hayward.

The committee is meeting again this morning (Thursday) at the Bohannon School in San Lorenzo, to make plans to meet with County Supervisors Stanley and Janssen, in order to enlist their support in getting county funds.

The necessity for immediate action, Robertson said, came about because of recent curtailment of state funds for county schools. Vaughn Seidel, county superintendent of schools, has made it known that a drastic cut in school apportionments from the state would make it necessary to reduce expenses in the school health set-up.

"We'll have to find a way to pay the salaries of school nurses," Robertson stated, "as their importance to the health of school children, and consequently to the health standards of the community itself, is so great that we cannot neglect this critical situation."

'DOCTORS' DIAGNOSIS COSTS HIM PLENTY

"You have a bad heart—a very bad heart—and you're also troubled with neuritis," was the diagnosis a couple of "doctors" gave old Mr. Antoine August, 93, last Sunday while he was en route to services at Holy Ghost Church in Centerville.

The "doctors" had called the old man over to their car—a handsome convertible—shortly after he'd left his home where he lives with his granddaughter, Mrs. Jack Ferraris.

The old gentleman, neat, well-dressed, but obviously not too strong and healthy, was genuinely grateful for the interest of the "doctors" — complete strangers—who gave him this free examination, and asked nothing in return.

They first "listened" to his heart, and shook their heads gravely; then turned him around and thumped him on the back a few times and announced, "Neuritis."

The old man was then overtaken by Mr. and Mrs. Ferraris, also on their way to church. Mrs. Ferraris, noticing the two young "doctors" talking to her grandfather, asked him if they were friends of his. He replied negatively.

It wasn't until after the church services that Mrs. Ferraris learned about the "free" examination given her grandfather.

The "free" examination, however, turned out to have cost $140!

That was the amount that was in Mr. August's missing wallet.

MYSTERY MAN IS FROM OLD FAMILY

As we launch into another "Guess Who" quiz this week, let us remind our readers that they are welcome to send us suggestions on future "mystery" men.

Know anyone who has had an interesting background? Then let us hear about him—or her.

See if you can guess the identity of the man below. If you can't figure it out, read through the pages of this issue. You will find the answer.

He was born in Niles.

When he married—a Niles girl—he simply moved across the street from the house where he was born. He has lived here all the rest of his life with the exception of one year when he worked in Oakland.

He is a descendant of one of the real old-time township families, his grandparents having settled in Mission San Jose in 1849. His grandfather used to drive a stage coach out of Alvarado, which was then the county seat of Alameda County. His father at one time was a baker in Mission San Jose and drove a delivery wagon of bakery goods all around the township.

During his freshman year at the local high school he worked for his uncle, John E. Briscoe. This was his first introduction to a business which he has been engaged in, in Niles, since 1938.

After he finished high school, he went into business with his father, who had started a grocery business in Niles in 1892. He was in this business until—as mentioned above—in 1938 he took up a line of work which he first learned as a freshman in high school.

One of his most interesting pastimes during his life in Niles was acting as scorekeeper for the baseball games played by the personnel of the old Essanay Studios, formerly located in Niles. These games brought him into contact with all of the actors who used to be in Niles, including Charles Chaplin and Wallace Beery.

He was, at one time, president of the local parlor of the Native Sons, now inactive. He is a member of the Elks Club, the Rotary Club, and was a trustee on the school board for almost 20 years.

His wife is related to the Decoto family, and is a first cousin of the manager of the Niles bank, Robert Blacow.

His business is the kind that if you say it's good, that's bad!

SANITARY DISTRICT ACCEPTS SEWAGE PLANT AT NEWARK

Acceptance of the new $250,000 sewage disposal plant of the Union Sanitary District was voted Wednesday, Feb. 13, by the directors of the district.

The new plant, located near San Francisco Bay, west of the Westvaco plant, has been under construction for more than a year. It was built by Barrett & Hilp and DeLucca & Sons.

Area served by the disposal plant is the entire Union Sanitary District, comprising the Newark, Centerville and Niles areas. It was built in compliance with state law which forbids the emptying of raw sewage into the bay.

Preparations for building the plant have been under way for several years. In order that taxpayers in the area might be saved the cost of two disposal systems, the Niles and Union Districts were combined in 1949.

According to Harry Goodridge, engineer for the sanitary district, the plant was built in anticipation of population growth and will accommodate twice the present amount of sewage. Layout has been arranged so that enlargements can be made when full capacity is reached.

The plant comprises a digester tank, mixing tank and clarifier tank.

The board of directors of the sanitary district are George Coit (chairman), Manuel Bernardo, S. G. Scott, H. L. Scott and George Burr.

SAN FRANCISCO TO SELL PROPERTY

Announcement was made this week by the city of San Francisco that two parcels of land in the "old town" section of Niles, owned by the city, will be sold at public auction.

The property is immediately east of that sold at public auction last year. "Parcel A" lies between the Niles-Mission San Jose highway and the center line of the discontinued end of Vallejo Street. It consists of approximately half an acre. "Parcel B," approximately a quarter acre, is a 65-foot adjoining strip which backs up to Southern Pacific Company property.

Written bids will be received by the city until March 6.

IRVINGTON C. OF C. SETS INSTALLATION

Mrs. William H. Maloney, elected last week as secretary-treasurer of the Irvington Chamber of Commerce, was introduced to the association's members and their guests at their weekly meeting Tuesday. The Chamber of Commerce voted to hold the installation of new officers on Tuesday, March 4, at 7 p.m., at Roethlin's Cafe.

Walter Connolly will succeed Dr. E. M. Grimmer as president. Other officers include Wallace R. Pond, first vice-president, and A. E. Alameda, second vice-president. New board of directors members are Carl Christensen, Jack Prouty and Allan Hirsch.

Gus C. Robertson, chairman of the chamber's school survey committee, made a preliminary report on school expansion problems. Members present expressed determination to continue further investigations of the problems involved. Wallace R. Pond reported on a communication recently received from the Alameda Land Development Committee which urged that all local Chambers of Commerce in the county take a united stand on zoning problems.

PAUL RESIGNS AS C. OF C. DELEGATE

Louis Cardoza has succeeded to the post vacated by Dallas Paul as delegate to the Washington Township Chamber of Commerce representing the Centerville Chamber. Mr. Paul resigned due to conflicting duties as vice-president of the Alameda County Firemen's Association which meets the same evenings as the township chamber.

'GHOST GIRL'S' APPEARANCE DUE

The Register, of the firm opinion that Niles' famous "Ghost Girl" has been getting more than her share of publicity these past few years, is not heralding her expected "arrival" this next Tuesday, February 26, with any big headlines.

However, any local ghost "fan" who cares to is certainly welcome, as far as The Register is concerned, to wait for her at the customary scene of her annual appearance on the Niles Canyon Road.

Note: Of course, if any of our readers DO get a glimpse of this wraith-like creature, The Register will pay double space rates for a report of an interview with her.

MISSION CHAMBER OPPOSES DISTRICT UNIFICATION PLAN

According to a statement this week from Michael Overacker, president of the Mission San Jose Chamber of Commerce, Mission San Jose residents at the present time are receiving very coldly any recommendation that the school district become consolidated with either an adjoining district (Irvington) or with a township unified district.

"There is a certain amount of talk, both on and off the record," said Overacker, "in regard to a unified township district for all elementary schools, and also in regard to Mission San Jose becoming a part of the Irvington School District. To both of these proposals, the majority of Mission San Jose residents are giving the cold shoulder.

"However," he continued, "Frank Vargas, president of the school board, has been appointed by the Chamber as a representative to attend all meetings in regard to either of these proposals, and he will report on facts and figures, keeping us apprised of the situation." He added, "This much is certain. We here in Mission San Jose, although we don't at the present time favor consolidation, at least intend to keep our minds open on the subject in order to make an intelligent appraisal of any developments."

CONDON TALKS TO NEWARK C. OF C.

Capt. R. E. Condon, head of the Washington Township Substation of the sheriff's office, was principal speaker Tuesday evening at the installation meeting of the new officers of the Newark Chamber of Commerce. Members and their wives attended the dinner meeting held at the Newark Grammar School.

Kenneth Foster took over the presidency of the Chamber from Paul Gygax who assumed his new post as treasurer of the organization. Other officers installed are Joe Pashote, vice-president; Dr. Howard Buschke, recording secretary, and John S. Oliveira, financial secretary.

No business was considered by the members who enjoyed Capt. Condon's talk on the development and expansion of the Alameda County Sheriff's office since Jack Gleason became county sheriff in 1939. His remarks were made in regard to the sheriff's role in the administration of affairs in Washington Township.

Capt. Condon also outlined the growth of activities of his office, mentioning the expanded training division and farm prison activities. He also stressed the current civil defense program and the part the sheriff's organization plays in directing certain of that organization's activities.

Forty persons attended the meeting. Jack MacGregor, district superintendent of schools at Newark, acted as program chairman.

FLOWER CLASS RESUMES

The Adult Flower Arrangement class held at Washington Union High School will resume its regular Thursday meeting schedule on February 28.

SHERIFF'S FORCE WILL DEPUTIZE 34 IN TOWNSHIP

Thirty-four Washington Township men will be among 147 new sheriff's reserves to be deputized by Alameda County Sheriff H. P. Gleason next Saturday, February 23, during 8 p.m. graduation exercises at the Santa Rita Rehabilitation Center.

Sheriff Gleason will present the reserves with batons, badges and diplomas as symbols of their status in the county's civil defense reserve deputy unit. The group is the first to be graduated under Gleason's civil defense law enforcement training program, and will serve in case of wartime or national emergency.

All have completed from 96 to 117 hours of law enforcement training in sheriff's department classes at Santa Rita, Hayward and Centerville during the last year. Represented are communities of Washington, Eden, Murray and Pleasanton Townships.

A number of reservists volunteered as emergency workers during the recent severe floods in Southern Alameda County, aiding rescue crews and sheriff's deputies.

State, county and municipal dignitaries will witness the graduation ceremonies, which are to be preceded by a 6:30 p.m. dinner honoring graduates and their wives in the Santa Rita mess hall.

Graduating from Niles are Beverly J. Bunting, Fred H. Duffie, Richard W. Kabrich, Lewis L. Lewis, Theodore B. Logan, Joseph Maciel, Gerald J. Stollenwerk and Chester A. Weaver.

Irvington graduates are Lewis H. Adams, Roy O. Dean, Joseph Edward Perry, Iver Poulsen and Herbert M. Rogers.

Decoto: William S. Davis, Manuel J. Hidalgo; Mission San Jose, George F. Souza; Centerville, Edward Agna, William N. Bauhofer, Jack P. Bribes, Alexander B. Leask, Walter O. Lobato, Joseph R. Nunes; Newark, Raymond A. Alberts, Lewis Ray Auchard, Franklin A. Brown, Joseph J. Machado, Buddy E. Patterson, Joseph L. Reichmuth, Adolph A. Rose and John E. Santos.

JUDGE GRANTS DELAY IN TRIAL

Judge Allen G. Norris Wednesday afternoon continued the case against Gregoria Mandac, Americo Esperito and Rosendo Campus until Feb. 29. They are all residents of Washington Township until February 29. The three had pleaded not guilty to a violation of Section 597J which prohibits possession of fighting cocks.

Mandac, Esperito and Campus were arrested February 8 together with Bernardo Garzon and Alex Lizardo, both of Centerville, and Eugenia Tabangcora of Alvarado. The latter three pleaded guilty on the day of arrest and were fined $150 each. Detective L. R. Creighton was the officer in charge of the investigations and arrests.

BEET GROWERS HOLD MEETING

The California Beet Growers Association, at its 21st annual meeting held last week at the Palace Hotel in San Francisco, elected new officers and heard predictions of an increase in sugar prices.

Arnold Frew of King City was elected president for the ensuing year and Owen Rice of Santa Maria was named vice-president. Melvin Nielson of Pleasanton was re-elected as director for District 1.

The association, an organization of 3,000 growers of sugar beets in California, heard James C. Simons of Brawley, out-going president, predict an increase in sugar prices based on recent action by Secretary of Agriculture Brannan and the latter's statements that sugar prices should rise.

"As sugar beet growers," Mr. Simons said, "we have been deeply concerned with low sales price of sugar. Costs have risen sharply and sugar is now cheaper than it was at the end of rationing and control in 1947."

Pointing out that continued low prices could hurt and possibly ruin the industry, Mr. Simons said further: "If our industry is not supported it could disappear. Our country would be forced to depend on imported sugar, obviously a dangerous situation in the face of a possible war. In addition, the market price could rise steeply if this happened.

"We trust we will be able to continue to receive the support the industry needs," he concluded. Adding strong emphasis to Mr. Simons' remarks was a panel of executives from important industries who examined the $100,000,000 California beet sugar industry in the light of what it provides for the home state.

California had 487,000 colonies of honey bees in 1951, by far the largest number of any state in the nation.

Female Rocky Mountain mule deer sometimes bear antlers.

TV NEWS

By LEO BOHANNON

We keep saying that sooner or later EVERYTHING worth while will come to television. And it's true. All the favorite radio shows are moving to the new medium . . . and that includes EVERYBODY'S favorite . . . OZZIE AND HARRIET. This fine, family show is scheduled to be filmed for release next fall. You'll enjoy the same happy-go-lucky heart-warming series you've enjoyed on the air these past years.

Ozzie and Harriet Nelson will be in their usual Mom and Pop roles . . . with sons, Ricki and David at their usual best. It's something to look forward to next fall. We're certainly looking forward to enjoying it.

That's the great thing about TV . . . it brings you the best of everything . . . your old favorites along with fresh, new talent . . . shows for everybody. A television set in your living room will give every member of your family stimulation, enjoyment and pleasure beyond measure.

Your television pleasure is our business. For that reason . . . you can be absolutely sure to get the kind of set you want (we handle RCA, Admiral and Hoffman). And you'll be sure to get top service by the best technicians. We guarantee your TV reception at

The FARMERS CORNER

by Ralph H. Taylor
Executive Secretary Agricultural Council of California

AIDS CONSUMER

J. Earl Cook, able director of the California Agricultural Extension Service, told a Prune Day audience recently that, basically, our great expansion in industrial and commercial activity has been possible only because of our technological advance in agriculture. This is a thought - provoking observation that will startle many persons, but it is true.

FARM POPULATION DROPPING

One hundred and sixty years ago nine-tenths of the population of the Colonies were engaged in agriculture. The production per worker was so low the efforts of nine persons were required to produce enough for themselves and the extra food and fiber to supply the tenth person engaged off the farm.

Today, only 17.9 per cent of our 155 million population in the United States is listed as farm population. In other words, the food and fibers produced by 18 farm workers today supplies 100 persons, 82 of whom are engaged in non-farm occupations.

FARM POWER IMPROVED

In 150 years we have progressed from a period in which the ox was the principal souce of power supplementing human labor to a time in which all types of mechanical equipment do innumerable necessary jobs once done by human labor.

MORE FOOD WITH MACHINES

Only as the farmer has invented new equipment or developed new methods of increasing farm output have workers been freed from farm tasks to become available for employment in commerce and industry. We have examples in less advanced countries than ours right now of the inability of agriculture to supply even the most simple, basic diet. A great part of the population must produce food to avoid starvation. Too often, food production falls short of even minimum requirements and great numbers starve, while the rest of the population suffers from all sorts of nutritional deficiencies.

FARM PRODUCTION NEEDFUL

This fundamental necessity of man's first efforts being devoted to food and fiber production explains why, though our farm population is steadily dropping as agricultural output expands, the farmer will continue to be a most important producer in our economy. We haven't yet produced or even imagined a substitute for food. Who can imagine a substitute for a tender, juicy beefsteak grilled to perfection?

SKILLED FARMING AN ASSET

The farmer obviously will become more and more a skilled manager, the supervisor of skilled workers handling complicated equipment, a student of soil, animal, and plant sciences; but he will continue to be a farmer. Doubtless his inclination to seek better equipment and methods will persist, and his better, more abundant crops will make life better for all of us.

Consumers, with an eye to their own well being, should see the wisdom in taking an even greater interest in farmers, as their numbers decrease, and give them greater incentive to produce.

ROTARY AWARDS TO BOY SCOUTS

Winners of the Scout display awards given by the Niles Rotary Club were announced this week by Fred Duffie, district commissioner of Boy Scouts. The awards go to Newark Troop No. 1, winning first prize, and Irvington Troop No. 1, awarded second prize.

Nine Boy Scout troops in the Twin Valley district competed for the prizes, first prize to be patrol camping cooking equipment and second prize to be signal flag equipment. The contest was held during Boy Scout Week, February 6 to 12. During the week the Scouts set up overnight camps in their localities and staged demonstrations of camp craft, including first aid, fire making, signal work and knot tying.

The Newark troop, under Scoutmaster Ed Maughn, was commended for its excellence in demonstrating various crafts and the Irvington troop for the construction of a 20-foot signal tower. Actual presentation of the awards will be announced later.

CHURCH DINNER TO BE HELD TUESDAY

A spaghetti dinner will be served at the Irvington Presbyterian Church on Tuesday, Feb. 26, by members of the Ad-A-Mites. Serving hours are 5:30 to 7:30 p.m., and seating will be continuous as there is no planned entertainment.

Treat mother to an evening out by attending this dinner. The cost is modest and special arrangements will be made for small children.

For reservations phone Mrs. William Swan, president of the group. Or get in touch with the member of the Ad-A-Mites that you know.

Use Register Want Ads!

ADVERTISING APPRECIATION

If we didn't have to eat, didn't need clothes or a house to live in and never went anywhere, advertising would be useless.

But life being what it is we do have to eat (and most of us enjoy it), clothes are essential (and make us look better), houses are useful (and comfortable, too), and we all like to gad about (and learn about things on the other side of town and the other side of the world).

Now what's all this got to do with advertising? (A leading and a loaded question.) Simply this: Advertising means more and better food, clothing, cars, houses, and so on, at lower cost to you. If there had never been any advertising we'd still be working the fields with "modern" wooden plows, riding bareback into the village in snappy buckskin britches, living in the latest style log cabins and feeding heartily on turnips. There would be no automobiles to worry about, no airplanes, no radio or television, no automatic dishwashers—the simple life, y'know. And there wouldn't be any newspapers either, for they couldn't exist without advertising.

Advertising has not only stimulated competition, lowered prices and raised quality, but it has also served to educate people to the need of certain goods and services.

This week is Advertising Appreciation Week, and we hope that what we have told you will make you appreciate advertising more. As for us, we appreciate the fact that advertisers continue to favor newspapers, by far, as the best means of popularizing their products. Read the ads. They're news too!

DINNER TO HONOR NEW LEGION ANNEX

One hundred members are expected to attend the annual dinner to be held this evening (Friday) in the newly completed dining Post of the American Legion in room of the Washington Township Veterans Memorial Building in Niles. The dinner is the postponed annual Armistice Day celebration and memorial services of the Washington Township Post, American Legion.

The dinner will mark the first use of the new $50,000 annex which includes, besides the dining room, a renovated kitchen, women's meeting room, rest rooms and heating plant. Jack Pool of Newark is in charge of arrangements and Marston Dassel of Niles will superintend preparation of the banquet.

Plans are being formulated under the direction of Leland Steinmets, Post commander of Irvington, for the formal dedication of the annex with tentative plans for the event set for Memorial Day.

MRS. ORSETTI HONORED

Mrs. Lydia Orsetti, Girl Scout leader, was honored on her birthday, February 20, by the mothers of the girls of the Alviso and Centerville Girl Scout Troops. The party was held at the Centerville Elementary School.

NILES SOLDIER JOINS MANEUVERS

Pfc. Ygnacio H. Avila, son of Mr. and Mrs. Ignacio C. Avila of Niles, is participating in Exercise Snow Fall, the joint Army-Air Force winter maneuver now in progress at Camp Drum, N. Y.

He is a member of the 11th Airborne Division's 511th Regiment, a highly-trained unit which also took part in Exercise Southern Pine last summer.

The current exercise, involving more than 30,000 soldiers, is designed to teach techniques of arctic warfare and to test winter equipment. Fort Campbell, Ky., is the home station of the division.

An assistant squad leader in Company I, Avila entered the Army in November, 1950. He completed parachutist school at Fort Benning, Ga., in April, 1951.

Woolen yarns are spun from shorter fibers and have a softer appearance than worsted yarns.

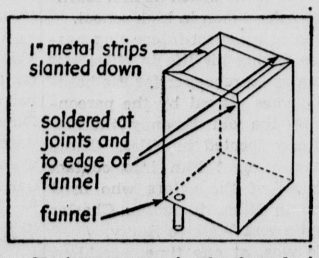
How To Stop Fuel Spillage With Funnel Made From Can. A farmer friend who fills his tractor by bucket with Standard Diesel Fuel showed us the funnel drawn in the diagram. It was soldered together from a 5-gallon can. Slanting baffles stop fuel from slopping over the sides.



He keeps a rag in the funnel when it's not used—as rag is pulled out it cleans off injector-wrecking dust and grit that might collect.

Another sure way to keep your diesel dirt free is to use only Standard Diesel Fuel. It's carefully distilled and handled to enter your engine clean and burn clean. Try it.

You can bet we'll answer your order fast. We figure our *service* plus our top quality products are the reasons our business has grown.

NEWS NOTES FROM IRVINGTON

By MAY LEGRO

DOG POISONER

Even worse than human murderers are dog murderers and that is just what the dog poisoner is. The latest family to have been deprived of its pet by means of poisoning is the Moss Pennington family of Union Street. We sympathize with you deeply, and wish that this menace to our pets would be stopped.

WEEK-END ON COAST

The long week-end gives the Boy Scouts an opportunity to have a two-day trip to Pescadero. Ten boys, accompanied by William H. Maloney, Kenneth Gass and Charles Brewer, will leave Friday morning and return sometime Sunday.

Besides the experience in setting up camp, the boys will have training in first aid, pathfinding, outdoor cooking, fishing, and marine life study. A wonderful way to celebrate Washington's birthday, and a lot of fun, too.

VISITORS FROM CARMEL

Mr. and Mrs. William M. White of Mission Road had as guests the John Schlueters of Carmel, who drove up for the day. Mrs. White and Mrs. Schlueter are sisters.

VOLUNTEER DANCE

The annual dance given by the Irvington Volunteer Firemen is to be Saturday night at the Newark Pavilion. Henry Ponciano and his orchestra will provide the music for the dancing, which will be from 9 till 1. Sounds like a good orchestra, and it's for a good cause, so get your tickets now.

ALASKAN VISITOR

Mr. and Mrs. William Swan drove over the bay Sunday to meet with the Swan clan, and to return with the senior Mrs. Swan, who is making her annual trip "outside." Once a year Mrs. Georgia Swan travels back to the states to visit with her family, and get a taste of California weather. She plans to spend a week in Irvington, visiting and getting acquainted with her grandsons.

PLANS FOR DINNER

Last night the Ad-A-Mites held their monthly meeting at the Church Westminster Hall. Past President Evelyn Rose presided in the absence of President Eva Swan. Among the items of business brought up was the forthcoming spaghetti dinner to be held next week. The group is working hard for the success of this affair.

WEEK-END AT HOME

Mr. and Mrs. R. A. Griffin expect to spend a quiet Washington's birthday in the company of their children. Jim Griffin plans to be here from the University, and daughter Helen from San Francisco.

CHURCH SERVICES

The Sunday worship service of Irvington Community Church will be at 11 a.m. and Sunday School will convene at 10 a.m., according to Cecil Rhoades, student pastor. A fire-side prayer services is to be held at 7 p.m.

Last week's special services were interesting and brought quite a response, particularly the talk on Korea. Mr. Rhoades is to be congratulated on obtaining this event.

PRESBYTERIANS ANNOUNCE LENTEN OBSERVANCE

In keeping with the spirit of Lent, the next six Sunday morning services of the Centerville Presbyterian Church will be devoted to spiritual preparation for Easter. The congregation has assumed the Lenten project of "Nickel-a-Meal Banks" for overseas relief. The Youth Group has undertaken to wrap and ship clothing to Korea and Germany. The Centerial Choir is preparing a medley of Negro spirituals telling the Easter story, to be presented on Good Friday evening.

The worship services during this period will be built around the theme of the Saviourhood of Christ with this week's sermon, "Imperative—A Saviour."

Other activities this week include the Youth Group meeting Sunday at 7 p.m.; the Women's Society monthly meeting and program at 1:30 Thursday with Mmes. Rose Farley, Hallie Stollenwerk and Marian Wolfe serving as hostesses; and the Christian Workers Class at 7:30 Saturday evening at the manse.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

February 18, 1951

To Whom it May Concern:

Subject to issuance of the license(s) applied for and commencing not less than 15 days after the date posted, notice is hereby given that the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

395 Main Street, Niles.

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance by transfer of an alcoholic beverage license (or licenses) for these premises as follows:

On-Sale Beer and Wine.

Anyone desiring to protest the issuance of such license(s) may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are now licensed for the sale of alcoholic beverages.

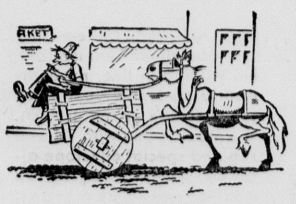
LARRY LAMOREUX WINS FFA CONTEST

Larry Lamoreux, son of Mr. and Mrs. W. F. Lamoreux of Niles, won the sectional Future Farmers of America oratorical contest conducted Tuesday at Washington Union High School. He competed against James Johnson of Hayward Union High School.

The contest was attended by members of Hayward and Washington Township Future Farmers of America groups. Judges were Carlos Bee, mayor of Hayward, and Judson Taylor and Rev. Howard N. Steward, both of Centerville. Winners of the sectional contests will compete later in the regional contests.

A six-team group from the local Future Farmers will go to Hayward on Tuesday, February 26, to compete in a parliamentary procedures contest. Those making up the team have not been announced.

Lake Tahoe is 13 mles wide and 23 miles long.



THE CART FIRST!

It is being done nearly every day by many people who buy insurance! They look at the cost of a policy rather than the amount of money they will receive if a loss occurs.

DAY BY DAY IN DECOTO

By GRACE CAMINADA

Grace Caminada

DAUGHTER ARRIVES

Mr. and Mrs. Maurice C. Ureste of 410 Eighth Street, Decoto, became the parents of a daughter on February 18. The baby was named Rosie Marie and she weighed in at 8 pounds and 7 ounces.

A SLIP-UP

Seems I slipped up again and completely forgot a guest at the birthday party of Joe Martin last week. Also among those attending were Mr. and Mrs. Don Marcoto Elementary School. He will be principal, replacing Mr. Puffenbarger who is now teaching the eighth grade at the Barnard School. Mr. Perry is a resident of Hayward where he resides with his wife, Frances, at 1380 Russell Way. He is a former teacher at Pleasanton night school. He also taught at Hayward High School and was once a correspondent of a Hayward paper.

A NEW RESIDENT

Born at the Decoto Medical building, Sunday, February 17, was Lynne Marie Zamora, daughter of Mr. and Mrs. Efren Fred Zamora of 1608 65th Avenue, Oakland. She tipped the scales at five pounds, 11 ozs.

JEWELRY PARTY

Present at the jewelry party held at the home of Mrs. Frances Martin last week when Mrs. Yvette Boziyian was hostess were Rose Delgado, Vivian Costa, Theresa Martin, Lorenza Guerra, Mary Gracia and Julia Delgado. Refreshments were served by Mrs. Martin. Mrs. Boziyian was also out of last week's writeup about the party.

NEW PRINCIPAL

John Wallace Perry is the latest addition to the faculty of the Detin. Sorry I left you nice people present at the jewelry party held at the home of Mrs. Marion Delgado last Friday evening. Attending the party were Clara Garcia, Jester Garcia, Antonette Sloan of Hayward, Margaret Williams, Julia Fields, Grace Caminada, Vivian Paniagua, Lillian Jimenez, Pat Paniagua, Leontina Costa, Lucy Pagan and Minnie Sanchez. Delicious refreshments were served by Mrs. Delgado.

RECEIVES AWARD

Mrs. Elvie Cardoza was awarded the P.T.A. life membership pin by L. W. Musick Wednesday evening at the Founders' Day program of the Decoto P.T.A. A nominating committee was named for election of officers for the coming year. Mrs. Vivienne Dunn and her fourth grade pupils put on a very entertaining program. The meeting was adjourned by President Cecilia Navas for refreshments.

PROUD PARENTS

Mr. and Mrs. John West of 128 Eighth Street became the proud parents of a daughter, Cherryl Iva, born on February 5 at the Hayward Hospital. Cheryl weighed 7 pounds and 8½ ounces.

THIRD CHILD

Mr. and Mrs. Herbert Reeves became parents of their third child on February 12. Violet Sue weighed 6 pounds and 3 ounces. She and her family live at 1025 Martha Place in Hayward.

Pancakes

Broadcast: February 23, 1952

1⅓ cups plain pancake mix; ⅔ cup Pet Milk; ⅔ cup water

Put pancake mix into mixing bowl. Stir in a mixture of milk and water slowly. Do not beat until smooth as overbeating toughens pancakes. Bake on hot, slightly greased griddle until bubbles appear and edges are cooked. Turn and brown on other side. Makes eighteen 4-in. cakes. Serve with syrup and sausage.

You Will Need:

Pet Milk, Pancake Mix, Syrup, Sausage.

CHEST FUNDS ARE ALLOCATED TO LOCAL AGENCIES

The Washington Township Community Chest board of directors this week allocated proceeds from the chest drive to seven social service agencies in the township. The amount allocated totaled $6640 and is to help defray expenses of these agencies during the current year.

Specific amounts allocated to the various agencies are: Travelers' Aid, $100; Boy Scouts, $2,765; Girl Scouts, $2,375; Salvation Army, $900; and the Irvington Youth Center, $250. Separate allocation will be made to the Newark Youth Center as the need arises.

The board, meeting in the court room of the Alameda County Building, was attended by all members. Bruce E. Michael of Warm Springs, president, presided.

Other officers and board members are Judge Allen Norris, Centerville, vice-president; Mrs. Carmelita Freitas, Irvington, secretary; Carl Christensen, Irvington, treasurer; Maurice Marks, Mission San Jose; Mrs. W. F. Lamoreux, Niles, and Mrs. Stella Benbow, Irvington.

The total amount raised during the fund drive amounted to $6639.80, a figure short of the goal set for the township. This necessitated a cut from the original anticipated allocation figures. There is, however, a reserve in the fund carried over from the previous year.

NEWARK P.T.A. TO DISCUSS NARCOTICS

"Narcotics and the Teen-age Youngsters," discussed by Sergeant Keith Brown of the Juvenile Division of the Oakland Police Department, will be one of the features at the March 4 meeting of the Newark P.T.A. unit.

Sergeant Bill Hildebrand of the Alameda County substation in Centerville, will speak on local juvenile problems.

It will be an evening meeting, starting at 8 o'clock, and will be held in the kindergarten room of the school. A timely topic such as this, by two capable speakers who know from personal experiences the subject under discussion, should provide a worthwhile and informative evening.

The P.T.A. is extending a cordial invitation and urges all in the Township who are interested to attend the meeting.

Final arrangements will be made at the executive board meeting at the school next Tuesday, February 26.

NEW PLAYGROUNDS AT DECOTO SCHOOLS

Installation of $2,000 worth of playground equipment, a gift of the United Airlines, was completed last week at the Decoto and Barnard Schools. The equipment was given by the airlines company in appreciation of the use of the Decoto School following an airplane crash last fall. The equipment includes monkey rings and jungle bars for use by lower grade pupils and basketball solo and high goals for the older groups.

CENTERVILLE P.T.A. PLANS CEREMONY

A Founders' Day ceremony, honoring past presidents of the Parent-Teacher Association of Centerville Elementary School, will be held Friday evening, February 29, at 8:30 in the school auditorium. Mrs. Vernon Brown, president of the Parent-Teacher Association, has announced a program consisting of selections by the school orchestra and a talk by Mrs. Gordon Peterson on Honorary Life Memberships.

Past presidents of the Centerville Parent-Teachers unit to be honored are Mmes. W. L. McWhirter, 1924-26; Fred Rogers, 1926-28; George Coit (deceased), 1928-29; C. E. Anderson, 1929-31; George Mathiesen (deceased), 1931-33; Charles Wauhab, 1933-34; Petra Gronley, 1934-36; Loren Mariott, 1936-38; Maria Brazil, 1938-39; A. E. Rogers, 1939-41; Edward Chamberlain, 1941-42; George Pimentel, 1942-43; Lawrence George, 1943-44; Mary A. V. Caldeira, 1944-45; Henry P. Dias, 1945-47; Raymond G. Rodrigues, 1947-49; Leland Silva, 1949-50; M. D. Nick Lewis, 1950-51.

All parents and their friends are extended a most cordial invitation to attend. Mrs. Gene Ramsell, hospitality chairman, is in charge of serving refreshments at the close of the meeting.

V.F.W. AUXILIARY NOW ORGANIZED

Nearly 450 members and guests attended the installation of officers and members of the newly organized ladies auxiliary to the Joseph and Stanley Bernardo Post No. 7445, V.F.W., at the charter presentation ceremonies held Saturday at Maple Hall in Irvington. Janice Roethlin, first president, greeted many honored guests.

The auxiliary has 46 charter members from the Washington Township area. Final determination as to date of meetings has not yet been made, though Mrs. Roethlin predicts alternate Thursdays starting yesterday, will be selected.

Answer to this week's "Guess WHO": Ben Murphy, Niles.

APPRENTICESHIP GROUP TO MEET

Washington Township's Carpenter's Appenticeship committee will meet Monday night in room 2 of the Washington Union High School. Employers and union representatives in the township will meet with representatives of the public schools and State Department of Education.

The meeting will consider salary ratings for apprentice carpenters. Since starting its work four years ago the committee has advanced over 40 men to journeyman status. Clarence Le Count of Newark is chairman of the committee.

TEEN-AGE CENTER IS OPEN EVERY WEDNESDAY

Teen-agers who are seeking middle-of-the-week amusement, will be glad to hear that the Youth Center at Irvington is open to teen-agers of the township every Wednesday evening, from seven o'clock to ten.

There are facilities for playing ping-pong, pool, and shuffleboard, among other games.

In charge are George Scamman and Gus Robertson.

NEWARK MAN RE-ELECTED HEAD OF POSTAL GROUP

Elmer Harris of Newark, assistant postmaster of the San Leandro post office, has been re-elected president of the East Bay Branch of the National Association of Postal Supervisors, it was announced this week.

The installation dinner is scheduled for Thursday night, February 21st, at the Villa Lorenzo.

V.F.W. TO MEET IN IRVINGTON WEDNESDAY

Walter Roethlin of Irvington has announced plans for a meeting of the Joseph and Stanley Bernardo V.F.W. Post No. 7445, to be held at 8 p.m., February 27, at Roethlin's Cafe in Irvington. The meeting will be devoted to a discussion of proposed sites for new headquarters for the post.

By the end of 1950, California's total petroleum production was 8½ billion barrels.

The largest species of native waterfowl now living in North America is the trumpeter swan.

Thinking Things Over . : :

By VIVIAN BATMAN

ANOTHER DILEMMA

At our house we have a good set of dishes, and then we have odds and ends. It is the odds and ends that we use every day. And some of them are very odd indeed.

For example, there was the cracked plate. Every evening when I'd deal out the plates, there it was, causing me such mental agony that dinner-time became a time I dreaded. It wasn't that I'm so fastidious that I can't stand the sight of a cracked plate. Oh no. It went further than that. The thing was—which one of the members of the family should I give it to?

I tried taking turns. But then I'd forget whose turn it was to have the cracked plate.

If I gave it to one of the boys, I'd think: now am I showing partiality? I HATE mothers who show partiality to their children.

If I gave it to my husband, I'd think: well, he's the wage-earner. Why should HE have the cracked plate?

That left only me. And if I gave the cracked plate to myself I felt martyred—and I HATE martyrs.

Finally, I had to make a decision. I either had to consult a psychiatrist—or— break the plate. I broke the plate completely, thus taking the cheaper way out.

But I am still in a dilemma. I had to buy a new plate to replace the cracked one. Now—NOW—WHICH ONE OF US SHOULD HAVE THE NEW PLATE?

How will I ever work out of THIS!

ARE WE DOPEY?

One of our township school principals said this week: "People are seeing too much television. Their minds are becoming dopey. They can't talk any more All they can do is to look—and listen."

Now I don't know as I exactly agree with this school principal. Even though we don't have a television, I'm sure that they serve their purpose, and quite adequately. They can become a great educational medium, as well as a great entertainment medium.

But wouldn't it be funny if people watched television so much, they became speechless!

This is the time for some man—it's always a man—to come forth with a remark to the effect that it wouldn't be a bad idea. (He would be referring, of course, to members of the female sex.)

LIONS LADIES NIGHT

The Centerville Lions Club will hold its annual ladies' night next Tuesday, February 26, at the International Kitchen.

Dinner and entertainment will be the order of the evening.

ALVISO MOTHERS PLAN LENTEN TREAT

Members of the Alviso School Mothers Club were treated to the annual lenten dessert of Portuguese doughnuts when the club held its regular monthly meeting on February 12.

The meeting was called to order by Mrs. Betty Reina in the absence of the club president, Mrs. Lee Silva.

Business of the evening comprised a report by Mrs. Anita Fantuzzi of the success of the recent cake sale; a report by Principal James Nunes that 450 pounds of rags have been brought in for the rag drive campaign; and a discussion of plans for a whist party to be held on April 25.

Plans were also made for the Easter treat of the lenten doughnuts for the school children. Those on the committee to make arrangements are Mmes. Irma Brown, Mary Nova, Florence Luiz, Rita Perry, Frances Mello and Rose Soares.

FAVORITE RECIPES WANTED BY NEWARK UNIT OF P.T.A.

A book of the favorite recipes of Newark's many fine cooks is a long range project undertaken resently by the Parent-Teacher Association of Newark.

Not only cake and cookie recipes, but soup, salad, meat, sauce, salad dressing, rolls, and any and all other recipes are being requested.

If you are willing to have your favorites included in the book, they will certainly be appreciated, and are truly wanted. Send them to the chairman, Mrs. George Latham, P. O. Box 1188, Newark.

FARM HOME GROUP TO MEET FRIDAY

The Niles Branch of the Farm Home Department of Alameda County will hold an afternoon meeting today (Friday) at 1:30 p.m., at the home of Mrs. Paul Offel in Niles. After refreshments, Mrs. Marietta Holman of Hayward will give instructions in repairing simple electrical equipment.

LAST RITES FOR MRS. BETTENCOURT

Final rites for Mrs. Lena Bettencourt, 74, a native of Hayward and long resident of Centerville, were held February 18 at the Chapel of the Palms in Centerville. Mass was said at the Holy Ghost Church and interment was at Holy Ghost Cemetery. Mrs. Bettencourt is survived by a niece, Mrs. Theresa Pestana of Oakland.

ATTEND SPECIAL COURSES

Four teachers from the Centerville Elementary School are attending the Arts and Crafts course given in the San Leandro School each Wednesday evening under the direction of Dr. Vaughn D. Seidel and the Alameda County School Department. The four are Miss May Davis, and the Mmes. Edna Stubblefield, Veda Creech and Doris Graves.

Virjean Silveira Sets Wedding Date

Virjean Silveira, daughter of Mrs. Victor Silveira of Centerville, has set March 16 as the date when she will walk down the aisle to become the bride of Edward Tavares of Hayward.

The nuptials will take place at the Nazarene Church in Niles.

Virjean, a graduate of Washington High, class of '51, will have Pat Guerra as her honor attendant.

A reception following the wedding ceremony, will be held in Hayward.

The bridegroom-elect attended Hayward schools, and is now engaged in the nursery business in Hayward. The couple will make that town their home after their marriage.

Housewarming

Mrs. John Galvin was given a surprise housewarming Tuesday afternoon at her new home at 140 Oliver Way, Niles, by the members of the Centerville Ladies Aid.

Twenty-four were present. Two homemade cakes and ice cream provided by the guests took care of the refreshments, and the guest of honor was showered with gifts of money, with which to buy things for her new home.

Niles Man in Double Wedding in Reno

Honeymooners Delos Welch Jr. and his bride, the former Rose Macadoo of Hayward, have rented an apartment on the Niles-Alvarado Road, and this week moved their furniture into it and are gradually getting that "settled down" feeling.

The Welches were married at a double wedding in Reno on February 9. The other two principals were Rose's brother, John Stockle of Hayward and the former Muriel Arnold, also of Hayward.

Both brides were dressed alike for the ceremony, which was performed at the Methodist Church in Reno. They wore champagne-colored silk dresses and corsages of yellow roses.

Delos is the son of Mr. and Mrs. Delos Welch of Oliver Way, Niles. He attended high school at Idaho Springs, Colorado, and also had two years of college at the Colorado University. After that he was called into the Navy by Uncle Sam. He is now employed at the American Forge in Niles.

His bride is the daughter of Mrs. John Stockle of Hayward.

The two couples motored up to Reno the first day that Highway 40 was re-opened to motorists. They managed to get back just before the highway was again closed! Obviously Old Man Weather had a tolerant and kindly eye directed towards the two pairs of newlyweds.

Out-of-Town Guests

Mr. and Mrs. Walton Fuller of Graeagle, Calif., were week-end visitors of Mr. and Mrs. Harry Weber of Centerville. The Fullers also visited Mr. Fuller's uncle, Mr. Bert Fuller, also of Centerville, who is seriously ill.

On Sunday the Webers also had guests from San Francisco, Mr. Arthur Twitchett and Mr. Bill Baker. The two men also visited the Karl Nordviks.

Sunday Guests

Sunday guests at the Fred Williams home on the Centerville-Alvarado Road were Mrs. Betty Anderson and her daughter, Penny, of Hayward.

In Oklahoma

Mr. and Mrs. John Talley of Morrison Canyon Road, Niles, are in Holdenville, Okla., on a business trip. They left last week, and expect to return next week.

Housewarming for Parrys

Mr. and Mrs. Jack Parry of Niles were a very surprised couple last Saturday night when a group of their friends arrived to give them a housewarming. Their home is at 227 D Street.

Those who were there included the Tom Estudillos, the Joe Wallmans, the Virgil Youngs Jr., the Douglas Rorabacks, the Jack Myricks, the Harold Enoses, the Bob Walstras, the Jed Oxborrows and the Bud Mellos.

The Parrys were showered with gifts of money, with which they purchased a fireplace screen.

First Child

Mr. and Mrs. Jame Aguiar of Newark are proudly announcing the birth of their first child, a girl, Deborah Marie, born on February 11 at San Jose Hospital. The little lady weighed eight pounds and eight ounces at birth.

Deborah is the first grandchild of Mr. and Mrs. Alex Lizardo of Centerville.

From San Luis Obispo

A surprise visit from their son and daughter-in-law and two months old grandson, made Mr. and Mrs. John Brahmst very happy last Saturday. The Bob Brahmsts drove up with relatives from their home in San Luis Obispo and returned home Sunday, after a two-day talk fest.

Bridge Club Meets

Mrs. Harry Weber of Centerville was hostess to the members of her bridge club last Thursday. The regular members present were Mmes. W. Trenouth, Viola Shepherd, Fanny Box, and L. S. Williams. The substitutes were Mmes. Karl Nordvik, E. H. Hirsch and William Humpert.

At Palm Springs

Two Centerville couples, Mr. and Mrs. Paul Sweeney and three children and Mr. and Mrs. K. Bowers, motored down to Palm Springs last week, spending four days. They returned Tuesday morning.

While at Palm Springs they visited Mrs. Sweeney's parents, Mr. and Mrs. D. A. Estel, who make their home there.

SENIOR CLASS PLAY PAYS DIVIDENDS IN LAUGHS—AS WELL AS FINANCIALLY

By MAY LEGRO

The Senior class play, "Our Miss Brooks," which was presented last week at Washington Union High School, showed hard work by all concerned. And that hard work paid off in a smooth, well timed performance. The cast dropped only a few cues which they quickly picked up.

After all, in an amateur production, most of the fun is in the situation laughs, and this play had those aplenty. It was evident that the actors enjoyed working out these situations, but the audience enjoyed the performers more than the play. In fact, the actors own personalities outshone their lines which often seemed tired and ordinary.

The casting was excellent. Dorothy Allen was striking as the haughty matron while Pat Collins portrayed a perfect "meany" role. Vondell Mings and Audrey Turnbow were naturals at the "librarian" and the "teacher." Nancy Lloyd and Bob Lewis played the part of young love very well indeed. In fact, Nancy's slightly underplaying of her part achieved a certain natural quality.

Shirley Iselin, Berenice Lemos, Loretta Facey, Carol Hocking, Irene Jimenez and Marilyn Striplin did well with their supporting roles. Bryce Phillips, Vernon Bradley, Waymond Chan and the basketball trio added to the success of the comedy.

The leads were outstanding; Marty Sammon appeared mature and at ease as the "coach," and Emily Jane Scott was "Miss Brooks." She had the inflection of her voice and her timing on comedy lines down pat.

Look out, Eve Arden!

Dinner Party

Mr. and Mrs. Ken Bruner of Centerville entertained the following guests at a dinner party at their home last Saturday evening: Mr. and Mrs. John Brahmst, Mr. and Mrs. Bob Brahmst of San Luis Obispo, Mrs. Bruner's sister, Mrs. Rae Thompson and Mrs. Thompson's daughter, Mrs. Margaret Strout of Berkeley, Vernon Ellsworth, Harriet Dias and Mr. and Mrs. Jerry Sletten.

Called to Missouri

Mrs. Fred Nelson of Niles left Wednesday morning for Slater, Missouri, to be with her sister whose husband recently passed away. She is not sure just how long she will stay, but is looking forward to keeping up on local news by having The Register sent to her every week.

From Coos Bay

Mr. and Mrs. R. E. Glass of Coos Bay, Oregon, spent three days last week-end with Mr. and Mrs. Stepp Raymond of Irvington. The two couples enjoyed relaxing and watching television, as the Glasses are not able to have television where they live.

At Auxiliary Party

Mrs. Gus Toensing of Orchard Drive, Niles, attended a party last Friday night given by the auxiliary of the Carpenters Union in Oakland.

Flies to L. A.

Charles Bellati of Morrison Avenue, Niles, made a two-day plane trip to Los Angeles this week, on business.

See Martin and Lewis

Mr. and Mrs. Robert Dutra and Marjorie Silva of Centerville were among those who enjoyed a performance of the Martin and Lewis show at the Fox Theater last Sunday.

Buy a Home

Mr. and Mrs. Ralph Allen Sr., who have been living on Driscoll Road, have purchased a home on Roberts Avenue in Irvington. They are presently remodeling it, and expect to be moved in by the end of the month.

Pajama Party

Miss Barbara Talley of Morrison Canyon Road will be hostess to three girls at a "pajama party" this Friday evening. The three are Mary Toensing, Sharlyn Woods and Shirley Caldwell.

NILES ROTARIANS AT RENO CONCLAVE

The Niles Rotarians who attended the Rotary convention in Reno last week-end came back and reported that they had the usual good time.

Those making the trip this year were Peter Juhl, John Brahmst, Bill Helm, Bain Leask, "Mac" McIntyre, Harry and Don Querner, Clarence Crane and his brother from Gilroy, Dr. Crane, and Vernon Ellsworth.

IRVINGTON SCOUTS RECRUIT BLOOD DONORS

Irvington Boy Scouts, under the direction of their leader, A. H. Maloney, staged a blood donor drive of their own and were successful in recruiting 14 blood donors for the blood procurement day in the township last Monday.

PIANO QUARTET IN SAN JOSE

The First Piano Quartet, which made such an extraordinary impression when it visited the coast four years ago, appears in the auditorium, San Jose, on Saturday evening, March 8, as the fourth event of the San Jose Concert Series. Dazzling virtuosity, breath-taking effects of volume, dynamics and color, make the First Piano Quartet an event for any music lover not only to hear but to see.

The personnel is almost a United Nations one: Adam Garner, a Pole; Frank Mittler, an Austrian; Glauco D'Attili, an Italian, and Edward Edson, all-American. Each is a concert pianist in his own right, having appeared as soloist with leading symphony orchestras in Europe and in America, and in concert as well.

Tickets for the First Piano Quartet recital are on sale at the Denny-Watrous box office, San Jose auditorium.

CENTERVILLE EIGHTH GRADE ACTIVITIES

Mrs. Grace Ricketts, supervisor of health and physical education for the Alameda County schools, and Mrs. Alice Lambrecht, eighth grade teacher, conducted a folk dance work shop for members of the eighth grade class at the Centerville Elementary School last week. The same students also received special instruction in copper work and ceramics. Miss May Davis and Miss Evelyn Leydecker, art consultants, assisted Mrs. Lambrecht in demonstrating these hobbies.

NEWARK CARD PARTY VERY SUCCESSFUL

Receipts from the Newark P.T.A. card party last Friday night totaled to $200, after all expenses were paid. As a result the school choir will have their own robes as soon as material is bought and volunteer seamstresses have gone to work on the project.

Highest score was made by Mrs. Dorothy Chamness. Mamie de Valle, Frank Pashote and Josephine Bettencourt, all of Newark, and E. Treleaver of Warm Springs, scored in that order. Low score was taken by Mrs. Mary Santos.

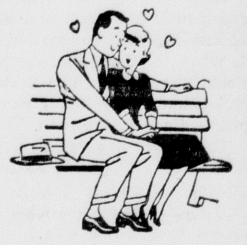
WEATHER IS STILL A GOOD SUBJECT

More than one of the local pundits have suggested that the old refrain, "Baby it's cold outside!" be changed to "Baby, it's wet outside!" For as of 8 a.m. Wednesday, the seasonal rainfall had reached 22.24 inches. However, with snow visible earlier in the week on the surrounding hills, it was both cold and wet.

The 22.24 inches of rain is an increase of 1.28 inches since February 1. Recordings since that date have been: Feb. 1, .46; Feb. 11, .15; Feb. 12, .07; Feb. 18, .25; Feb. 19, .11; and Feb. 20, .25.



One Thing Sure Leads to Another!

and now... YOU'RE GOING TO BE MARRIED!

Whether you're inviting two, or two thousand to witness the happy event, there must be announcements to send out as well.

It costs so little to be correct yes, even elegant... our way.

May we show you our large selection of wedding invitations, announcements, reception cards, informals, etc.?

IT'S A GIFT! Virginia Courtenay's comprehensive little reference book covers every wedding detail. We have a free copy waiting for your call. Wont you come in for it... soon?

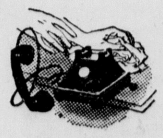
How to treat your telephone

The best way to spruce up your telephone is to polish it with a soft, dry cloth . . . never with water or any other liquid. You'll find that it'll always be ready to serve you better, too, if you keep these simple pointers in mind: Avoid "gadget" attachments . . . keep cords free of doorways where they may be pinched . . . and always keep water away from wires and fittings.



it's precision-built . . . and it can develop ailments if it's dropped. So make sure the stand your telephone sits on is solid . . . and located in a place where the instrument won't be accidentally knocked off onto the floor.

LOCAL PHONE RATE CHANGES MARCH 21

Beginning Friday, March 21, public telephone users throughout California will deposit one dime or two nickels in coin slots to make a local telephone call.

On the same day, the three per cent surcharge on monthly bills of regular telephone subscribers will be eliminated.

The surcharge, designed to avoid a higher permanent increase in exchange rates, was necessary to procure the necessary revenue needed while the 70,000 public telephones in the state were being modified to 10 cent operation.

S. D. Smith, manager of the Pacific Telephone, said that the equipment changes had been expedited in order that the three per cent surcharge could be dropped as soon as possible. As a result, the change is being made about three months ahead of the eight months allowed in the California Public Utilities Commission's order of last October.

NEW HOUR RULES FOR GAME HUNTERS

California hunters will be pursuing their game under a new set of shooting hour rules after March 1, when the 1952 hunting regulations take effect. The State Fish and Game Commission made the new rulings last month.

The new rules read: "Shooting hours for all species of resident game shall be one-half hour before sunrise to one-half hour after sunset except between November 22 and December 1, inclusive, when shooting hous will be from 8 a.m. to 4:30 p.m. in all counties lying north of San Luis Obispo, Kern and San Bernardino counties."

Commissioners announced that waterfoul hunting hours would not be affected by the new rulings for taking resident game.

PRIZE FOR FIRST TAGGED CATFISH

The first California fisherman to return the tag from one of more than 600 catfish tagged this year in inland waters will receive a valuable plug casting rod and reel donated by the Associated Sportsmen of California.

The tagging program is conducted by the Department of Fish and Game with the aid of Federal Dingell-Johnson funds. It is the first catfish research project undertaken by the state agency.

Anglers are requested to return the small metal strap tag found on the cheek of tagged catfish to the department's Ferry Building office in San Francisco. Information concerning date and location of catch and approximate size and length is required.

HUSKIES UPSET MOUNTAIN VIEW IN CLOSE GAME

By BO'S HIRD

The Washington Huskies moved into undisputed second place last Friday night by virtue of a 59-55 upset over the Mt. View Eagles on the Eagle court. The Huskies, who were tied for second place with the Eagles, have a 4-1 record in league play. The Washington B's suffered a 42 to 38 loss in the preliminary game.

In the first half, it was primarily Mt. View. The Eagle forward, Gerry Tutman, and center, John Escano, racked up 26 points between themselves in the first half. They led at half time, 31-26.

In the second half the Huskies caught fire. They had built up a 36-31 lead before the Eagles scored. From then on the Huskies never relinquished their lead.

Tony Nieves and Jim Bolivia, Huskie forwards, grabbed scoring honors with 15 and 13 points, respectively. Gerry Tutman hit for 21 and John Escano hit 20 for the Eagles.

When Lee Walton, Huskie 6-foot 3-inch guard, fouled out early in the third quarter, Escano then was master of the backboards. Then Antoinne Rigmaiden, a reserve Huskie guard, came off the bench at the end of the third quarter to put a stop to Escano's rebounding. Rigmaiden not only controlled the backboards but also scored a very important 6 points.

The Washington B's, although losing, put up a fine battle against the league-leading Eagle B's. The B's, who had the task of stopping John Lozano, Eagle forward, who has averaged 22 points per game this season, held him to 6 points in the first half, and 10 in the second half for a total of 16 points.

High point men for the B's were Frank Galvan with 11 digits and James Andrade with 10.

Tonight the Huskies play the Campbell Buccaneers on the Huskie home court.

NILES KEGLER LEADS TOURNEY

Leonard Smith of Niles stepped into the lead of the Metropolitan Oakland Bowling Association City Championships Tuesday evening at the Hayward Bowl.

Smith, a 144 average kegler, put togefher a 199, 207 and 191 to total 597 points. With his handicap at 112, this gives the local bowler 709 points in the singles department.

In the team event he registered a 639 and in the doubles, playing with Oscar Lindblom, also of Niles, a 666. Lindblom scored 587. This gives Smith 2014 to put him in front of the all-events race, and places the team in third place.

Likelihood of his winning the championship is indicated by last year's top score of 707.

WASHINGTON TAKES CAGE PRACTICE TILT

Washington Huskies and B cage teams traveled to Menlo Park on February 13 and both came home victorious. The Huskies won, 46 to 42, and the B's, 47-36.

The Huskies, who scored only nine points in the first half, played much better ball in the second half and came from behind to win.

The B's first five played very well together and had little trouble throughout the game with the Menlo cagers.

High men for the Huskies were Tony Nieves and Jim Bolivia, with 12 and 11, respectively. High for the B's was James Andrade with 13.

Lt. Jose Joaquin Moraga founded the Presidio Sept. 17, 1766.

GOOD TURN-OUT OF BLOOD DONORS DESPITE WEATHER

Blood donors numbering 135 streamed into the Veterans' Memorial Building in Niles last Monday to say "thank-you" in the best way they know of (giving a pint of their blood) to our boys over in Korea who will be glad to know that the "home folks" are thinking of them.

Though this number wasn't as great as last time, Mrs. Allan Walton, blood procurement chairman, expressed satisfaction at the appearance of various groups. Pacific Coast Aggregates, for example, sent 18 of their total of 35 employees. The Decoto School had ten of their teachers, and the V.F.W. Stanley and Joseph Bernardo Post sent a contingent of their members.

"It is always encouraging to have the blood procurement program supported by industries and other groups," said Mrs. Walton. "We are constantly working, however, to increase the interest in some of our other large industrial plants. We hope the time will come when they, too, will see the necessity for permitting their employees to attend in groups on blood donor day, as was the custom during World War II."

Below is the list of Donors who appeared at the blood bank at the Memorial Building Monday:

Florence Myrick, Emma Marks, Ruth Silva, Max Stevenson, Dorothy Soares, Janet McLaughlin, Father Duggan, Howard Nelson, Walter Roethlin, Ben Mozzetti.

Christina Orsetti, Balz Senn, Jack Navarro, Nyla Connolly, Sam Yamanaka, Esther Harter, Kathryn Cole, Minnie Marchy, Paul Umbstead.

Thomas Field, Gus Robertson, Evelyn Rose, A. E. Alameda, Dave Kirkish, Rachel Doremus, Suzzanne Rosco, Walter Lindsay, Betty Ross, Pauline Collinson.

Lawrence Gronley, Agnes Stewart, Joe Garcia, Dwight Thornburg, F. J. DeBorba, Aase Frigaard, Joe Villalobos, Howard Steward, Mary Erickson, Vincent Kaehler, A. D. Brazil.

John Cardoza, Tony Goularte, Charles Ellington, Joe Salvador, Filbert Bettencourt, Melvin Allegre, Edward Rose, Helen Kohlenberg, Jacqueline Appel, Eleanor Holzwarth.

1952 SPINACH CROP LARGEST IN YEARS

California growers raised 141,600,000 pounds of spinach for canning and freezing last year, the largest crop in 23 years, U. S. Department of Agricultural figures show.

The department's reports indicate that last year's crop was about 75 per cent above 1950's 80,800,000 pounds. The all-time record production was established in 1929, when 180,000,000 pounds of spinach was grown for processing.

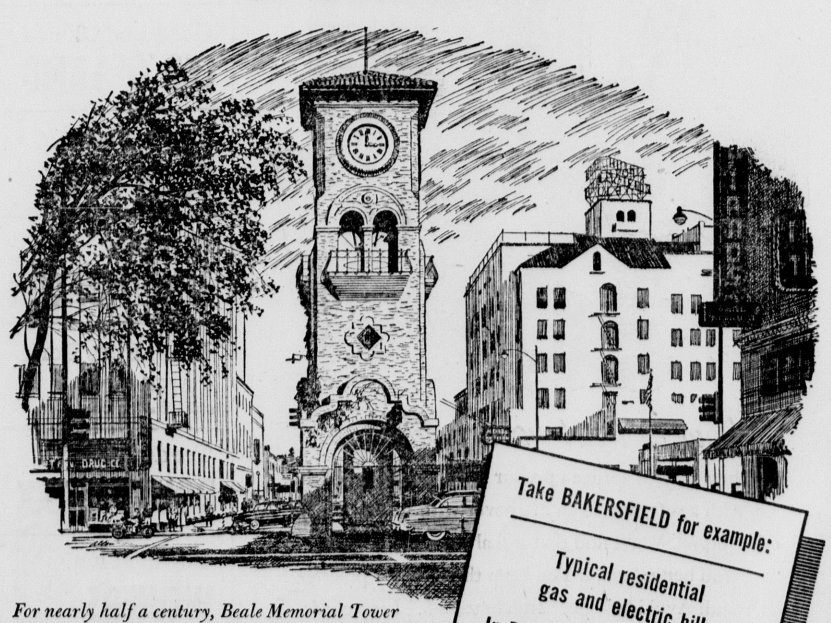
Gas and electricity are cheap in California!



For nearly half a century, Beale Memorial Tower has been a familiar landmark in downtown Bakersfield

P. G. and E. home rates are far below U.S. average!

The cost of living has nearly doubled since 1940, but P. G. and E. domestic rates are actually lower than they were then! Nothing else you buy costs so little—does so much. Let P. G. and E.'s bargain gas and electricity do more of your work, bring you more of life's comforts.

Take BAKERSFIELD for example:
Typical residential gas and electric bill
In Bakersfield . . . $8.50
In all U.S. cities of similar size* . . $15.97
*Average for the 21 U.S. cities outside California between 33,000 and 35,000 population. Based on a typical use of 100 kilowatt hours and 100 therms of gas per month.

NEWARK News Notes

WEDDING ANNIVERSARY

Mr. and Mrs. John Freitas received congratulations on their 35th wedding anniversary February 15. To celebrate their "Coral" anniversary, their family and grandchildren assembled at the family home. Also present were Mr. and Mrs. John Wolfe, Mr. and Mrs. Ed Kettman Sr. and Mr. and Mrs. Leonard Lucio. Refreshments included a large cake decorated for the occasion.

UNDERGOES SURGERY

Miss Betty Lewis was the victim of a sudden appendicitis attack last Friday, requiring an immediate operation. She will return home from Alameda Hospital tomorrow and she is getting along quite well.

BIRTHDAY PARTIES

The Samarano family celebrated three birthdays this week. The first was Arthur Samarano, who was eight years old. Mr. Joe Samarano of Hayward came to Newark for a family party in his honor February 18. Felix Samarano began his eleventh year during the week also. All the parties were attended by the family and friends from Newark and Hayward.

WEEK-END VISITING

Mr. and Mrs. Alex DeKnoop and son, Rickey, motored to San Rafael over the week-end to visit Mrs. DeKnoop's parents, Mr. and Mrs. V. Cheda. While there they also visited other members of the family.

ENJOY DINNER

The members of the Newark Chamber of Commerce held a steak dinner party last Tuesday to which they invited their wives. The dinner was prepared by Miss M. Rose and other cafeteria employees at the Elementary School where the dinner was held. The springtime decorations were under the supervision of Mrs. Kenneth Foster with the assistance of the school faculty. Entertainment was provided by Mr. Jack MacGregor.

EXCHANGE VOWS

Miss Jo Burke and Mr. Elmo Crow were united in marriage in a quiet ceremony officiated by Rev. J. Peffers at the Presbyterian Church,, Friday, February 15. The bride was attended by Miss Marilyn Abacherli, with Gene Howie acting as best man. Mrs. Crow is a student of nursing at the Fairmont Hospital in Oakland. Mr. Crow, who is serving in the Navy, is stationed at Hunter's Point in San Francisco. The bride is originally from Wisconsin. After the ceremony a reception was held at the hospital.

OUT OF STATE GUESTS

Rev. and Mrs. Redden of Bend, Oregon, were the guests of Mr. and Mrs. R. O. Grace for the past week and a half. They left on their return trip Tuesday.

TWO SOCIETIES MEET

The Peggy Evaul Circle was hostess to the Mary Florabell Circle yesterday for a joint meeting of the two in the Presbyterian Church parlors. Mrs. Bud Patterson is president of the entertaining circle and Mrs. W. Q. Wright is president of the guest circle.

SPECIAL MEET TONIGHT

This evening the Clipper Club will hold a dinner with the coming holiday as their theme. In charge of the arrangements are Mrs. Turnage and Mrs. Callow. Mrs. Franklin Brown will give a talk on George Washington in commemoration of the first U. S. president. There will also be community singing.

SUPPER PARTY

To celebrate her fourth birthday June Cottingham will invite five other four-year-olds to a supper party. Her guests will include Janet Haynes, Bobby Ussery, Mary Collins, Barbara and Veronica Bender. They will also play games.

RETURN FROM OUTING

Mr. and Mrs. George Lathem, Ray and Louise, are home from a short stay at Richardson Springs. So as not to forget their trip, they have brought home with them a large dose of poison oak.

CONTEST SCHEDULED

If the weather permits, a kite contest will be held at the Elementary School today (Thursday). The contestants will be students from all grades. Awards will be given for the largest, the smallest, the most comical, and the highest flying. It should prove a great success with the many kite enthusiasts around town.

MISSION SAN JOSE NEWS

By ALBIE SANTOS

BOYS HAVE FUN

A group of boys from Mission San Jose went to Washington High School last week to play a game of basketball with the FFA. It was a very close game all the way through with the Farmers winning 31-28 in a double overtime. Scoring the highest was Charles Schneider with 12 points, followed by Reno Bernardo with 7. The Mission boys playing were Bill Pereira, Dewaine Hill, Thor Olsen, Richard Meyers, Charles Schneider, Reno Bernardo, Stanley Caires, David Koelsch and James Ray Hill.

BAPTIZED

St. Joseph's Church received a wonderful Valentine when seven-year-old Carl Thompson was baptized on Feb. 14. Father Leal officiated while Leo Dennie and Teddy Pereira became young Carl's honorable god parents. A small party was held later at the Thompson home.

CRITICALLY ILL

We were sorry to hear about Mrs. Rosie Rogers who was suddenly stricken critically ill while working in her garden. She was found by her neighbor, Harold Millard and rushed to the San Jose Hospital. Her son, Clifford, who has been stationed in Japan, arrived home after receiving the sad news of his mother's condition.

VACATIONING

Not everyone is as fortunate as Michael Luther to be able to spend a vacation throughout Mexico.

TO TEXAS

Mr. and Mrs. J. Meeks and their two children, who recently moved into our little community, have moved to make their residence in Texas.

FROM ISELTON

Mr. and Mrs. Sonny Santos and family motored from Isleton for a visit with Sonny's parents, Mr. and Mrs. Antone Santos and family. Sonny and family motored back Sunday evening.

FROM WILMINGTON

Betty, Eddie and baby Mark Santos were indeed surprised by the arrival of Mom Bramwell of Wilmington. Mrs. Bramwell, who once resided in our little town for many years, says it always seems like home when you come to Mission.

TV SET OWNERS

It's always news when a new antenna stands out upon a rooftop, and Mr. and Mrs. Whiteside are no exception. They are quite thrilled with their new TV set.

VISIT FRIENDS

Mrs. William Laughlen, former Missionite, spent a day visiting here with friends.

AROUND AGAIN

It's certainly nice to see Mrs. Eric Lind up and around again, greeting her friends, following a long period of illness.

RECOVERED

Glad to hear that Jack Pereira is doing nicely now following a touch of the flu and a terrific cold.

VISITS FRIENDS

Mrs. Edith Campbell, former owner of the De Guadalupe Inn, spent a day in our town this week visiting friends.

FROM THE CITY

Paul Stabel had a week-end guest, his sister, Mariana, from San Francisco.

ENJOYABLE

Mr. Tom Cunha and Leo Dennie reported that the civilian defense meeting in Centerville was quite enjoyable.

PROUD OWNERS

Barbara and Mervin Santos are the proud owners of a beautiful new automobile.

No one is too young or too old, too weak or too strong—or too busy—to do his or her part in Civil Defense.

Civil Defense is simply National Life Insurance.

The wonderful fresh flavor of Safeway's vegetables and fruits is the result of a careful system of quality control that begins at the farms where our expert buyers select only the produce they know will be good eating. These selected vegetables and fruits are then rushed to Safeway, properly protected from the weather to reach you in perfect condition. At the store they are handled by men thoroughly trained in the care of fresh produce. See and taste the difference this method of handling makes...shop Safeway for your produce needs.

BUCKSKIN DAN IS COMING TO CENTER THEATER

Northern California's number one TV star in the hearts of boys and girls, hopes to meet all his little partners "in person" Saturday morning, March 1, at 10 o'clock, in Centerville through the courtesy of Miller's Shoe Store.

With Buckskin will be that precocious little character, Tanglefoot Terry.

Currently, Buckskin Dan Clubs are being formed all over Northern California, and club members will receive, in addition to bona fide membership cards, special privileges, such as eventually decoding secret messages, etc.

In cooperation with the San Francisco chapter of the National Safety Council, Buckskin Dan offers safety check charts for the home to all who write to him at Box 78, KRON-TV, San Francisco. Tickets may be obtained at Miller's Shoe Store, Centerville.

The lowest temperature ever recorded in San Francisco was 27 defrees f., the highest 101.

NEWARK BROWNIES WANT SILVERWARE COUPONS

Attending the committee meeting of Brownie Troop 76 at the home of the co-leader, Mrs. Fred Armstrong, last Monday afternoon, were Mrs. Frank Phippen, Mrs. Robert Lloyd, Mrs. Judson Taylor, Mrs. Manuel Cochero, Mrs. Al Souza, Mrs. Charles Forrest, Mrs. R. C. Parrot, Mrs. Lorraine Robertson and the leader, Mrs. Leo Bohannon.

Future meetings have been scheduled for the first Mondays of each month beginning in April. Meetings will be held in the mother's homes.

Projects of the troop include a magic show to be held some time in April, and a silverware set for troop use, to be obtained from collecting silverware coupons. They will welcome any help in the collection of the coupons, and they should be addressed to Troop 76, in care of Mrs. Leo Bohannon, Route 1, Box 79-A.

DECOTO MEN AT MOSQUITO MEETING

Roland Bendel and Lee Falkowski, both of Decoto, were in Fresno two days this week attending the California Mosquito Control Association meeting.

If one could be said to enjoy a mosquito control meeting, they "enjoyed" it.

HOME ON LEAVE

Pfc. Leon Musgrove is home on 18-day leave to visit his parents, Mr. and Mrs. Clarence Musgrove of Niles. He has been stationed at Denver and will report back to Randolph Field, Texas. He is a B-29 gunner.

KRAFTILE GIVEN U. S. RECOGNITION

Special recognition has been given by the United States Government to the Kraftile Company of Niles, for the role it is playing in supporting mutual American-European efforts to strengthen the free nations against communism.

A "Certificate of Cooperation," bearing the red, white and blue "Strength for the Free World" shield of the Economic Cooperation Administration, and a letter of citation signed by Acting ECA Administrator Richard M. Bissell Jr., were received this week by C. W. Kraft, president of the Kraftile Company.

The certificate states that it is awarded in recognition of the firm's "furnishing technical assistance to the peoples of the Marshall Plan countries to aid them in maintaining individual liberty, free institutions and peace."

The letter of citation reads as follows: "This certificate is a token of our gratitude and appreciation for assisting foreign visitors in gaining a better understanding of the United States economy, and thus giving them a new realization of what they must do—each in his own industry—to build up the defensive strength of their countries. Generous and unstinting aid, such as you have given, is helping to make the Productivity and Technical Assistance Program a powerful factor in the strengthening of Western Europe."

LAST RITES HELD FOR MRS. ARENAZ

Mass was said Monday for Mrs. Julia Martinez Arenaz, 86, mother of Jenero M. Parenaz of Decoto, at Our Lady of the Holy Rosary Church in Decoto following services at the Berge Mortuary Company in Niles. Interment was at Holy Sepulchre Cemetery in Hayward. She was a native of Mexico, and is survived also by eight granchildren and nine great-grandchildren. Mrs. Arenaz had made her home in Santa Barbara where she passed away Feb. 13.

Punta del Ano Nuevo, the extreme southwest point of San Mateo County, was so named by Sebastian Vizcaino in 1603.

EPISCOPAL CHURCH SERVICES SCHEDULED

Services February 24, Quinquagesima: Holy communion, 8 a.m., church school, 9:45 a.m.; morning prayer and sermon at 11. A nursery is provided at the rectory for the 11 a.m service.

Tuesday, Feb. 26, 7:30 p.m., Young People's Fellowship.

Ash Wednesday, Feb. 27: Holy communion, 10:30 a.m., and evening prayer at 7:30, followed by choir practice.

THREE LOSE LICENSES

Drivers licenses of three Washington Township residents recently were suspended by the California State Department of Motor Vehicles. The three concerned are: D. R. Stepro of Decoto, J. M. Valdez of Centerville, and M. N. Zapien of Alvarado.

GIRL SCOUTING

First we had a meeting and then we made covers for our records for Mrs. Orsetti. Mrs. Orsetti interviewed each girl separately. The meeting was ended by singing "Taps."

—Cynthia Goodwin

MEMORIAL CHOIR SERVICE FOR MRS. VIVIAN LOGAN

In memory of Mrs. Vivian Logan, the Centerian Choir of the Centerville Presbyterian Church, will give a memorial concert on Sunday evening, March 9.

Mrs. Logan, who met with a tragic death last year, was very active in the church affairs.

Dwight Thornburg, director of the choir, has arranged a program of sacred choir numbers, as well as solos. Miss Barbara Smyrl will also play two groups of organ solos.

Offerings that evening will be taken to help defray the expenses of memorial chimes that the church is planning to buy.

PLAN MUSIC FESTIVAL

Tentative plans were made at two meetings held last week for the annual music festival to be held May 1 at the Washington Union High School gymnasium. Attending the meetings were Mr. Lee Lykins, coordinator of music for the Alameda County Schools, and the music teachers from Washington Township elementary schools.

CUB SCOUTS TO MEET

The Centerville Cub Scouts will meet February 25 at 7:30 p.m. in the auditorium of the Centerville Elementary School under the direction of Mr. Carl Miller, Cubmaster. Some fifty members are now registered and Mr. Miller has extended an invitation to all boys and their parents interested in Cub Scout work to attend.
